Time Capsule at Tristford

On Friday, January 14th, we celebrated the 'Time Capsule Burial Ceremony' at Tristford. The Meridian news team and the Mayor of Folkestone were present. Two time capsules were buried, filled with memories from the past two years. Residents, staff, and local school children participated in this memorable event.

Covid Visiting Restrictions Lifted

We were thrilled to announce in late January 2022 that government restrictions on visiting loved ones in care homes and supported living units were lifted. Our service users and residents can now welcome visitors freely, with no limits on the number of guests. We extend our heartfelt thanks to everyone for their patience and adherence to the restrictions over the past two years.
