

HARTFIELD HEALTH

ANNUAL UPDATE 2023

Exciting Developments in 2023

2023 has been a remarkable year for our team, marked by the successful launch of our new care recruitment business, Healthworks, and significant growth and progress at Wellgate.

Introducing Healthworks People

We proudly launched *Healthworks People* in January 2023. This new healthcare recruitment business aims to place exceptional people into fulfilling, long-term, or interim management roles within the care sector.

- Nick Connell joined us as Business Development Manager.

- Millie Powell transitioned to become Business Development and Marketing Manager for both Wellgate and Healthworks.

- Bradley Placks joined in a non executive capacity.

At Healthworks, we strive to add value at every stage of the recruitment process. In addition to our recruitment services, we offer *HealthWorks Concierge*. We understand that onboarding and retention can be challenging, so our concierge service provides clients with support throughout these stages.

New Staff Holiday Cottage in Norfolk

Following the success of our holiday home in Wales, we are excited to announce a new seaside cottage for staff enjoyment. *The Tractor Shed*, located near Hunstanton on the Norfolk coast, features 3 bedrooms and is close to a nature reserve with beautiful local exploration opportunities. Bookings will open in March 2024.

Wellgate Management Days in London

This year, all our managers and the management team from across Wellgate gathered regularly in our London office for strategic meetings. The day was dedicated to discussing how to continue our growth and further develop our business.
